- High foaming power.
- Strong emulsifying action and dirt dispersant.
- It removes organic contamination, grease and oil.

SUGGESTIONS

It is particularly recommended to rinse the bodywork very well before starting to wash the car with ONE WASH.

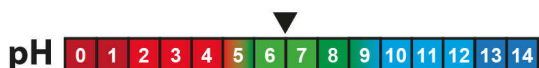

DESCRIPTION

ONE WASH is a neutral, high foaming shampoo, with a strong emulsifying and dirt dispersing action. It effectively removes organic contamination, grease, oil, etc. from all surfaces, painted or not, polished, plastic-coated, etc. Thanks to the high concentration of its formulation, ONE WASH allows you to clean the external surface of vehicles with a single dip of the glove. It can be used for manual washing of bodywork, cleaning of hard surfaces, metal surfaces, etc.
