

FM 65 PAVIMENTI STRONG

CONCENTRATED LIQUID DETERGENT FOR THE DEEP

- A detergent to dilute with automatic dilution systems.
- Ideal for the cleaning of particularly dirty floors and surfaces.
- Returns surfaces to their original state.

SUGGESTIONS

In order to guarantee efficiency and practicality it is fundamental to use this product with the FM5 diluter fitted with a practical dosing system with tube. Use it to fill the bucket or floor washer-dryer.

DESCRIPTION

FM 65 PAVIMENTI STRONG is a concentrated low-foaming, highly-degreasing detergent specifically for the cleaning of floors, specially formulated to be used in FM5 automatic dilution systems. Deeply removes all kinds of dirt, even the most stubborn and difficult. Thanks to its elevated whitening power, it provides for the elimination of greyness from tiles, returning them to their original splendour. The FM5 system guarantees the correct dosage and the maximum efficiency, optimising costs and warehouse stock. It is fitted with a treatment system for the water supply which drastically reduces the presence of dissolved salts, thus guaranteeing excellent cleaning results and the stability of the product, both in terms of bacterial load and performance.

HO.RE.CA. & FACILITIES

CONCENTRATED LIQUID DETERGENT FOR THE DEEP

PHYSICAL AND CHEMICAL CHARACTERISTICS

Appearance	Clear/translucent liquid
Color	Green
Fragrance	Almost weak
Specific weight	1.130 ± 0.010 g/ml
Solubility in water	Complete in all ratios
pH	13 - 14
Chemical properties	Nonionic - anionic

pH 

FOAMING POWER

Low

AVAILABLE PACKAGING

Box of 4 containers - 5kg each - 016FMPS0020

USE MODALITY

The product container must be placed for drawing in the FM5 system which will dilute it at 5% in order to obtain the ready-to-use product for the filling of the wash bucket or the tank of a floor-washing machine. A box of FM 65 PAVIMENTI STRONG produces 400 L of ready-to-use product. Proceed with the normal cleaning with a mop, flat-head mop or floor-washing machine.
