

READY-TO-USE HYGIENIZING DETERGENT

- Ready-to-use foaming high-chlorine content hygienizer.
- Easy to use and rinse.
- Particularly suitable for the cleaning of changing rooms, bathrooms and showers.

SUGGESTIONS

GEMINI PRONTO is a specially formulated product for the cleaning of bathrooms and fittings in public areas subject to heavy traffic.

DESCRIPTION

The bulk of bacterial transmission takes place in bathrooms, changing rooms and consulting rooms. Guaranteeing hygiene in areas visited by a large number of people is fundamental. GEMINI CLEANER is a product which has been specially formulated for the cleaning and hygienization of hand-basins, bathroom fittings and hard surfaces in general. Used daily, it restores the shine to all accessories in steel, ceramics and porcelain. The hygienizing action is provided by the active chlorine content which eliminates bacteria, fungi and yeasts. The high concentration of the active ingredient guarantees effectiveness even when used on wet surfaces. It combats and avoids the formation of unpleasant odours. Ideal for the deep cleaning and hygiene of tiled and metal surfaces in toilets, hotels, hostels, bars, restaurants, sport centres, etc.

READY-TO-USE HYGIENIZING DETERGENT
