

M15 LAVAMOQUETTE

LOW-FOAMING DETERGENT FOR THE CLEANING OF CARPETS AND FABRICS

- It respects and revitalises colours.
- A product characterised by excellent cleaning and sanitising power.
- It works on the deepest ingrained dirt.

SUGGESTIONS

Drying times can range from 3 to 6 hours. The use of hot water in the dilution phase of the product can reduce drying times. In the case of deeply ingrained dirt or stubborn stains, pre-treatment with a suitable Alleggrini stain remover is recommended. On delicate fabrics use very diluted solutions: 1:40-1:60.

DESCRIPTION

M15 LAVAMOQUETTE is a low-foaming liquid detergent specifically formulated for the cleaning of various types of carpets and fabrics.

It has an excellent cleaning and sanitising power, and also works on the deepest ingrained dirt. It guarantees best results, respecting and revitalising colours.

M15 is specially studied for use with extractor machines.

Ideal for cleaning sofas, armchairs, rugs, carpeted areas and all upholstered surfaces including velvet and alcantara.
