SUGGESTIONS

IP 62 Pavimenti Oxyfresh is particularly recommended for cleaning surfaces without the need to rinse.

DESCRIPTION

IP 62 Pavimenti Oxyfresh is an exceptionally scented alcohol-based detergent, for the deep-down cleaning of all washable hard surfaces. Particularly recommended for polished, hard surfaces such as plastic, formica, ceramic, porcelain stoneware and all types of flooring. It can also be used on floors treated with self-polishing polymer waxes. Its formula guarantees exceptional results without leaving streaks. No need to rinse and leaves behind a pleasant sea breeze scent. The clear instructions on the label make the product easy for operators to use, allowing them to work more efficiently, without errors or waste.
