

LIQUID DETERGENT FOR WASHING DISHES BY HAND

- Ensures clean and shiny dishware.
- Safe for the skin of the hands.
- Delicate citrus fragrance.

SUGGESTIONS

Pour a dose of SPLENDO PIATTI into preferably hot water and agitate well to help the detergent dissolve and create foam.

DESCRIPTION

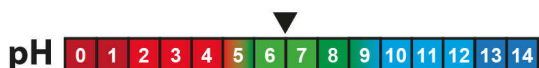

To achieve sparkling dishware without irritating your hands, a neutral liquid detergent is recommended for washing dishes, pots, cutlery, and glasses by hand - SPLENDO PIATTI.

SPLENDO PIATTI contains surfactants with excellent wetting and soil dispersing power, which are highly foaming and degreasing. At the recommended dilution ratios, the presence of dermo-protective substances and its neutrality make it safe and non-irritating to the skin of the hands. Also excellent for cleaning hard surfaces (tiles, sinks and all types of glazed surfaces).
